ABOUT ME

Postgraduate English student with a strong interest in storytelling, language, and culture. I enjoy turning ideas into engaging, easy-to-understand content for different audiences. Through my experience in writing and teaching, I've developed a keen interest in how digital media can make art and cultural narratives more accessible and meaningful.

EXPERIENCE

Webify Hub (Intern- Web Content Writer) Apr 2023 - Jun 2023

- Produced blog content across diverse topics using AI-assisted research and prompt engineering
- Edited and refined content for clarity, coherence, and reader engagement
- Adapted tone and structure based on target audience and platform requirements

Tanusri's Art and Craft Academy Mar 2023 - July 2025

- Designed and conducted interactive online sessions to improve students' communication skills
- Used storytelling, visual aids, and performance-based techniques to enhance engagement
- Developed students' confidence in public speaking through structured activities and feedback

InAmigos (Intern- Content Writer) Feb 2025 - Mar 2025

- Created audience-focused digital content to communicate the NGO's mission across platforms
- Translated social initiatives into engaging narratives to increase relatability and outreach
- Contributed to building an accessible and impactful online presence
